Attach vent clip to back with a strong glue. I recommend a 2 part epoxy glue for best results.

COLOR KEY & SIZING

You can feel free to change the black engrave lines as you want. If changing black lines to score you will have double lines when scoring.

- **RED LINES – CUT**
- **BLUE LINES – SCORE/LINE**
- **BLACK LINES – ENGRAVE**

We do not recommend resizing items that have tabs such as boxes, stands, etc. unless you are comfortable with manually resizing the tabs and slots.

FINISHING

For our wooden finished items we typically stain the piece first, then apply a dry brushed layer of acrylic paint. Once the acrylic paint is dry we then paint in detail areas with acrylic paint pens or gel pens. Once completely dry we seal with 2 coats of a clear acrylic sealer.
