#### COLOR KEY & SIZING

You can feel free to change the black engrave lines as you want. If changing black lines to score you will have double lines when scoring.

• **RED LINES** • CUT

• **BLUE LINES** • SCORE/LINE

• **BLACK LINES** • ENGRAVE

We do not recommend resizing items that have tabs such as boxes, stands, etc. unless you are comfortable with manually resizing the tabs and slots.

#### FINISHING

For our wood finished items we typically first stain the wood, then apply a dry brushed layer of acrylic paint. Once the acrylic paint is dry we then paint in detail areas with [acrylic paint pens](#) or gel pens. Once completely dry we seal with 2 coats of a clear acrylic [sealer](#).
